Dear Mr. P. M . Naidu,

Management would like to appreciate you and put on record about the contribution towards the earliest supply of Turbine Control Oil Line PRV spring and prompt support services rendered by your Mr. Vainkattya .G & Mr. Sudheer .G for helping us to resolve the problem of high vibration in control oil line 38.5 MW MHI make steam Turbine.

The positive approach and dedication towards work of Mr. Vainkattya .G and Mr. Sudheer .G shown at site will take your organisation to new height .

Management once again appreciate your result oriented support and services with attitude towards customer requirement and With above, we expect same kind of prompt services & solutions from M/S- S.V. Turbo in future also towards the customer satisfaction and long business relation.

With Warm Regards,

Anil K Pathak
